What's a Homeschool Market anyway?

Enough to bless you in every way.

Bob Jones, A Beka, and Saxon for starts,

globes, manipulatives and paintbrushes for Art.

How about laptops and a microscope?

The market will cover a very broad scope.

Books and herbs so no one gets sick

How 'bout some classics to make literature click?

Banks for Economics and jars for Home Ec,

Telescopes, calculators, and things high tech.

Plants for young botanists, eggs from young farmers.

Etiquette books that turn kids into charmers.

Algebra on DVD, Violin, maybe even a baby sling

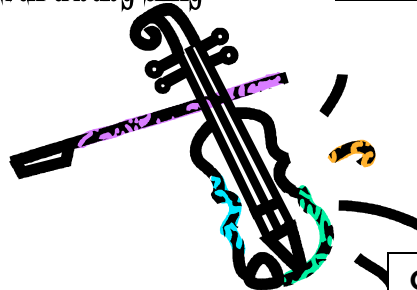

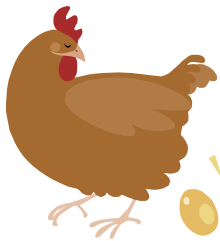

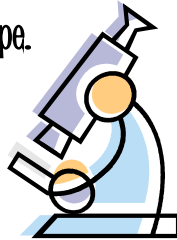

You can teach your darling to sign and sing.

A weather station and slingshot for Brother.

A homemade apron for your dear mother.

Buy, sell, or swap, the pleasure's all yours.

When the Homeschool Market opens its doors.
